QUESTION!

Who's the better hunter?

She says **she is**. He says **he is**.

Now, there's only one way to settle it!

Introducing the **She vs. He Showdown** — where bragging rights, skill, and hunting instincts go head-to-head in the ultimate outdoor competition.

Both teams will take part in **three mornings and three afternoons of hunting**, putting their skills to the test across an unforgettable landscape at 7,000 feet.

At the end of each day, results will be tallied and added to the **official leaderboard**, building suspense as the competition unfolds.

Then, on the **third evening**, after the final hunt is complete, everyone will gather for the big announcement.
